

EMPLOYEE BENEFIT PLAN AUDITS

Experienced Plan Auditors

Hancock Askew & Co., LLP is an accounting and advisory firm specializing in delivering high-quality employee benefit plan audits. Our Employee Benefit Plan Audit Group conducts a significant number of audits annually for organizations with 100 to 40,000 participants. Our professionals are deeply involved in the industry and bring extensive training, commitment and knowledge to provide innovative support and solutions.

Risk-Based Approach

We understand that an effective audit involves more than basic compliance. At Hancock Askew, we focus on identifying and minimizing areas of risk, and work with plan fiduciaries and their financial team to proactively identify and resolve issues as soon as they are detected. We utilize advanced paperless technology to minimize workplace disruption and provide clients an efficient, value-added audit.

Experience Matters

The Department of Labor (DOL) has placed increased scrutiny on plans and their fiduciaries. It's more important than ever to ensure you are managing risk. Hancock Askew is a member of the AICPA Employee Benefit Plan Audit Quality Center (EBPAQC) and sits on their executive committee.
