

AUDIT PREPARATION SERVICES

Simplifying the Audit Process

At Hancock Askew, we provide audit preparation services to assist our clients in preparing for an audit. Whether you are a SEC issuer or privately-held company, we have the expertise to simplify the process. We provide you the tools, resources and personnel to reduce the burden of preparing for an audit and help your Company remain compliant.

Our Audit Experts

Our professionals bring years of experience working closely with Big 4 Audit Firms in an audit preparation service role and on project related consultations, with proven historical success and favorable response from external audit teams. We work closely with your team and external auditors to get ahead of the issues and save you time during the audit process. In turn, this permits our clients to redirect internal resources, allowing them to focus on running their business.

In addition, our professionals maintain the highest quality standards. We stay current with new accounting pronouncements and audit standards, and we use the latest technology to provide efficient services.
